Website

<http://www.nitalaska.com/programs/professional-truck-driving/basic-skills-evaluation-12-day/>

This course is considered a basic review of knowledge and designed for an "extremely experienced" truck driver. Students will have up to 2 hours of vehicle training to include: pre-trip inspection, air brakes testing, coupling/uncoupling, backing, and behind the wheel driving. In this course, you will review your general awareness of the performance requirements for the State of Alaska. After your practice time, you will have a 2 hour CDL road skills exam.
